UTILITY PERMIT

Date: _____

To: Kearney County Board of Supervisors

Via: Kearney County Road Department

Permission is hereby requested to construct and/or place a: _____

in the public Right-Of-Way in Kearney County on road: _____

Description within the above referenced mile:

Installation by: _____

Approximate date of Installation: _____

(Or call Kearney County Roads Department when work is going to be done)

The construction of all utilities will conform to the standards set forth in the "Nebraska Department of Roads-Policy for Accommodating Utilities on State Highway Right-of-Way" adopted by Kearney County as the "Kearney County Policy for Accommodating Utilities on Public Road Right-of-Way.". The permit holder shall inform the Kearney County Road Department upon completion of the construction of the above the described utility in order that all road crossing and backfilled areas may be inspected. The permit holder agrees it will restore the public road to the original condition prior to the work. The permit holder shall also exempt Kearney County from any damages which may result to the above described utility as a result to future road maintenance or construction. The permit holder assumes al liability and will furnish signs in accordance with the MUTCD of Nebraska during construction. Crossing constructed between October 15 and March 15 must be bored.
