Variance Requirements: Nebraska Law allows for granting of a variance where the applicant clearly demonstrates special conditions, and peculiar circumstances exist related to the subject property.

Please complete the following (attached page if necessary):

- A. Describe conditions and circumstances that exist which are peculiar to the land, structure, or building involved and which are not applicable to other lands, structures or buildings in the same district.
- B. Explain how a literal interpretation of the provisions of the Kearney County Zoning Regulations would deprive the applicant of rights commonly enjoyed by other properties in the same district under the terms of these Regulations.
- C. Demonstrate the special conditions and peculiar circumstances which do not result from the actions of the applicant.
- D. Explain how granting the variance requested will not confer on the applicant any special privilege that is denied by these Regulations to other lands, structures, or buildings in the same district.
